.....

Child's Name

I have received the information regarding school uniform and support this policy.

Signed

Date

The Governors of St Mary's School consider the wearing of smart uniform to be important in maintaining the high standards that we associate with St Mary's and they expect all parents who send their children to St Mary's to comply fully with this policy.

- ❑ **All items of clothing should be clearly labelled with the child's name**
- ❑ If children lose clothes at school they should check to see if they have been placed in the lost property box.
- ❑ Parents should teach children to look after their clothes and be responsible for looking smart and tidy.
- ❑ Children should learn to fold their clothes neatly.
- ❑ Summer hats are available from Shah's School Wear. Children may use Sun lotion in hot weather. Parents should teach children when and how to apply it.
- ❑ Pupils with hair that covers the face must tie it back.
- ❑ Shoulder length or longer hair should be tied up.
- ❑ For the safety of everyone in school, children in St Mary's should not wear jewellery including earrings/ear studs. Covering earrings/studs with a plaster is not acceptable. Children who wear jewellery to school will be asked to remove it.
- ❑ Children should not wear make-up to school, this includes nail varnish and hair products etc. Children who turn up to school in make-up will be asked to remove it.
- ❑ Children's bags should be suitable for hanging on a coat peg beneath a coat in the cloakroom.
- ❑ Children should not wear any clothing or accessories which endorse a brand name or sports team.
- ❑ Children change into black plimsolls when they come into school in order to keep the floors clean as children sit and work on floor areas throughout the school. It is important that all children have a change of footwear between inside and outside areas.
- ❑ Children who have problems with their feet may be allowed to wear alternative footwear. A note from a reputable practitioner should accompany such a request. This should be discussed with the Head teacher.
- ❑ There is a wide variety of fashion footwear available in the shops. When choosing shoes parents should exercise discretion and ensure that children wear comfortable, safe footwear. High heels or thick soles are not suitable for school. Children should not wear trainers as school shoes. Children may wear wellingtons in wet or snowy weather. If children wear boots in the winter they should be low ankle boots.
- ❑ Children should take their PE kit home weekly to be cleaned.
- ❑ **Children who are not wearing the correct uniform will be told so by a member of staff and will be expected to conform. Parents must support the school in such matters.**
- ❑ **The school reserves the right to be the judge of what is and what is not suitable uniform. Parents, by sending their children to St Mary's school, are agreeing to support this uniform policy.**
- ❑ **The Governors are very appreciative of the efforts parents take to ensure that the pupils of St Mary's are smartly dressed when coming to school.**
