Year 6 SATs

Dear Parents and Carers,

We wanted to take this opportunity to share with you the Year 6 SATs results. The children have done so very well, and we are immensely proud of all their efforts. The results reflect the 7 years of hard work and support from staff and families and will give the children solid foundations as they prepare for their next steps in their academic journeys. Special thanks to Mrs Walker (Class 6 Teacher) and Mrs Roach (Class 6 TA), for all of their fantastic support and expert guidance.

These results are well above the national averages, and they surpass pre-covid results. They truly are amazing.

You can see a breakdown of the results and a comparison to the national data too.
