

Music development plan summary: St Mary's

Overview

Detail	Information
Academic year that this summary covers	2024/25
Date this summary was published	September 2024
Date this summary will be reviewed	September 2025
Name of the school music lead	H Marshall
Name of school leadership team member with responsibility for music (if different)	J Leech - Headteacher
Name of local music hub	NL Music Hub
Name of other music education organisation(s) (if partnership in place)	OLOL Music Service

This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

At St Mary's, we have timetabled music lessons in all year groups. We use the OLOL music scheme for our lessons which is aligned to the National Curriculum for Music. When using the scheme and its progressive week-by-week lessons, we are guaranteeing to be meeting all the statutory requirements of the National Curriculum and progress is evident through observations, class books and our progression documents. Discussions with children have demonstrated an increasing knowledge of key music vocabulary being recalled. Observations have shown all pupils engaged and active during the lessons, including SEND.

Children have a 1 hour music lesson, once per week.

We have a range of instruments that can be used in the lessons and our curriculum. We use music in other academic areas and in our daily Celebrations of the Word. We have whole school signing assemblies each Wednesday morning.

Part B: Co-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

At St Mary's, we are fortunate to have opportunities for the children to develop their music skills. We have singing assemblies take place with a wide range of songs being learnt and performed. The children take part with confidence and enthusiasm.

All our KS2 take part in whole class toots which gives them an opportunity to develop their woodwind understanding. We also have class sets of ukuleles which are used in UPKS2.

We have two choirs which meet weekly and learn and perform different songs throughout the academic year.

Currently, we have music tuition for the following instruments;

- Piano
- Guitar
- Violin

We support families and use our Pupil Premium to ensure that access to lessons is fair and equitable.

Throughout the year our children enjoy taking part in a Christmas production, music performances and singing within class assemblies which are performed to parents and peers.

Every year we enter the North Lincs Music Festival and the Brigg Music Festival, where we enter our Choirs.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

At St Mary's, parents and carers are fully supportive of music making and we have a good turn-out at productions.

Our weekly signing assemblies allow all children to be involved in singing and in KS2 children perform in a Carol Concert each year.

Our Singing Teacher leads two school choirs, who meet weekly and perform during the school year.

In the future

This is about what the school is planning for subsequent years.

- Our biggest focus for Music is to develop the showcasing of music in the school. Allowing children who learn a musical instrument or who are part of a choir/orchestra to perform their musical talents.
